Annual Festival of Flowers—

TULIP TIME

By Corey and Beth Walker

The Walker family has always enjoyed Tulip Time in Pella. This is in part because Ken, Randa, Corey, and Kerry all graduated from Central College in Pella and have fond memories of living there. This is a picture of Sophie and Corbin at Tulip Time in 2004. Wow, they have changed a lot in nine years. We used to take lots of pictures of the kids in front of different tulips. Now that Sophie will be 13 and Corbin will be 10 in less than two months, it is sometimes hard to get them to stand next to each other for a picture, let alone in front of tulips and other people.

Anyway, we plan to make our annual trek to Pella this year and hope to see some of you there. The theme this year is "Enjoy our Dutch treasures," and the Festival of Flowers is May 2–4. For more information, go to www.PellaTulipTime.com.

If you are not from Central Iowa, then there is a similar celebration on May 16–18 in Orange City, Iowa. For more information, go to www.OCTulipFestival.com.

FEATURED BUSINESS OF THE MONTH

Iowa Orthopaedic Center

Several of our attorneys and many of their family members have been treated by the surgeons and specialists at Iowa Ortho and have been very happy with the results. For example, Beth's mother, Anita, had the new and revolutionary muscle-sparing hip replacement surgery done by Dr. John Nettrour, M.D., in February of 2010 at age 68.

.....

IOC Orthopaedic surgeon John Nettrour, M.D., is the first to offer the muscle-sparing joint replacement surgeries to Central Iowans.

By March 20, 2010, just six weeks after surgery, she was able to climb more than 365 steps to the top cupola of our nation's capitol on a tour. As you can see, the views from there were amazing. Iowa Ortho has locations throughout Central Iowa and beyond. For more information about this new hip replacement procedure and more, go to www.IowaOrtho.com.

Erik,

Thank you so very much for all the help and support you gave me during this stressful time in my life. Your compassion, sympathy, patience, and genuine concern for my well-being are heartfelt. If I ever need to seek counsel, your firm is my number-one call. I've been referring your firm to everyone I know. Again, thank you!

WHAT WOULD YOU SAY TO SOMEONE WHO HAS BEEN HURT AT WORK OR INJURED IN AN ACCIDENT?

Tell them not to risk calling just “any attorney.” Let them know that the attorney they hire can make a big difference in the amount of compensation they receive. Tell them to give us a call before it is too late.

THANK YOU FOR YOUR REFERRALS!

WE LOVE YOUR REFERRALS.

Every month many of you refer your family, friends, and coworkers to us. It means a lot to us that you trust us enough to pass our name along.

What's the Good Word?

By Sophia Walker

Family Time Outside

My brother Corbin and I are so happy that spring has arrived so we can get outside. It has been a long winter, and while we did have fun sledding, we spent much of our time indoors. I spent many hours each week swimming in the pool and once again made the state meet. Spring is one of my family's favorite times of year, as we enjoy going on bike rides, walks on the nearby trails, and fishing at local ponds. Taking some time to enjoy the great outdoors helps to clear my mind and focus on what is important in life, with family being at the top of my list. I hope that you take time this spring to enjoy being outside, spending time with your family and friends.
